

HERE ARE A FEW BUILDINGS FOR LAYOUTS THAT CAN BE PATTERN FOR STYRENE SHEET OR CARD... OR COLOUR IN AND CUT IT OUT FROM THIS... ENJOY!!!

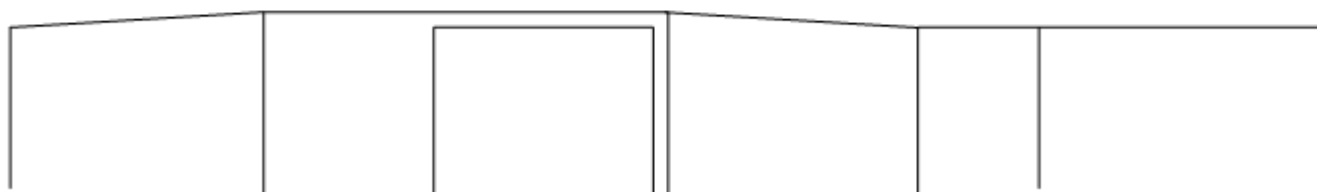

Lineside Hut or 10x 7 foot HO Shed

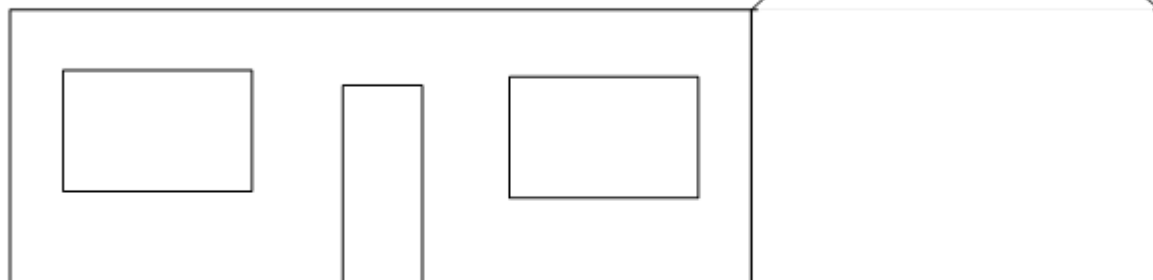

Line Side Hut Roof

Gangers Hut Roof

Relay Box—which you could laminate from scrap styrene

Front and Rear of a "Company House". You can fill these in with timber or brick fill and place a verandah if required by how you cut the roof.
